

Ten Romantic Ideas For Valentine's Day ...

Whether you show your love with a big or small romantic gesture, enjoy playing Cupid with one or more of the following ideas:

1. Share a bottle of wine from the year you first met.
2. Give your mate a family heirloom: grandfather's pocket watch, mother's pearls, great Aunt's cameo, uncle's stickpin, etc.
3. Bundle up and go on a moonlit picnic.
4. Give your mate's hands the royal treatment: massage and manicure.
5. Send a love letter wrapped in a big box and have it delivered by registered mail to his/her office.
6. Send your mate a Valentine's Day card every day from Feb. 1st to Feb. 14th.
7. Frame the lyrics to "your song" and give them to your mate.
8. When planning a romantic dinner, use all five senses – smell, taste, touch, sight, and sound – to make the evening unforgettable.
9. Tint your popcorn red for a Valentine's Day movie date.
10. Take the regular white light bulb out of a lamp in your bedroom and replace it with a red light one. Spray your favorite scent on it. Without much cost, you'll change the ambiance of your room!
